YRMC	Yavapai Regional Medical Center

Hi Becky, Mary, and Nicole,

We didn't receive forms from Banner Desert, Banner Estrella, St. Joseph's, Western Regional, White River, and PCH this month. Flagstaff sent in their forms, but do not show on the graph because they neglected to include the birth rate. White River only sends in forms once every 3 months. Banner Estrella and PCH are consistent with sending in their forms each month, so I believe they are just running late. Banner Desert, St. Joe's and WARMC continue to be a concern as all have not turned in forms in several months. Contacts at these facilities say they are still implementing the program and will be sending in forms soon, but no forms have been received as of yet. Cobre Valley and Kingman sent in several months of forms and are currently up to date.

Several blank spots this month, unfortunately. Banner Desert has not sent in forms since June and when contacted they assured me they would be sending forms to me, but I have yet to receive them. Banner Gateway, Banner Estrella, and Cobre Valley did not get their forms to me this month, but these facilities have a history of running late. Western Regional and Kingman haven't sent in forms for a few months and I am hoping they are still implementing the program. Due to their high staff turnover rate, they tend to fall off the track every so often.

Beth
