Hi Becky, Mary, and Nicole,

Several facilities did not get their commitment forms to me on time for the reporting month of October: BUMC-Tucson, Banner Desert, Banner Ironwood, Kingman Regional, Honor Healthcare Scottsdale Shea, Summit Healthcare, and Whiteriver Indian Hospital. I believe that they are just running late this month and I should receive their forms soon. I tend to see more late submissions in November and December, due to the holidays. I am concerned that Kingman Regional has not submitted forms since August. They tend to have frequent staff turnover, so I will reach out to see if my current contact is still there.
